

A MESSAGE FROM ACALANES SPORTS BOOSTERS:

## Last chance to get your 2014-2015 Athletic Clearance on campus at AHS!

**Aug. 19, 2014 (Dons Day), 2:30 – 5:30 in the Big Gym**

Take advantage of this convenience and support Acalanes Athletics at the same time!

Dr. William Workman, our AHS athletic Team Physician and Oakland As Team Physician, Dr. Nancy Rolnik, St. Mary's Team Physician, Chris Clark, our AHS Athletic Trainer, and other medical professionals, have volunteered their time to examine Acalanes students and provide athletic clearances.

### **Registration is simple and the cost is just \$35.00:**

- 1) Online, complete the Athletic Clearance forms, found on the AUHSD website at [www.acalanes.k12.ca.us/athleticregistration](http://www.acalanes.k12.ca.us/athleticregistration)
- 2) Bring 1 copy of the form to be filled out and signed by the physician on campus.
- 3) Bring 1 Online Registration Sports Summary page for **each** sport of participation. (The page with the student's and parent's signatures at the bottom.) If your athlete plays 2 sports, bring 2 filled out and signed copies.
- 4) Bring 1 Supplemental Medical Questionnaire. (Blanks will be at event, if necessary.)
- 5) Bring a \$35 check made payable to Acalanes Boosters.
- 6) Parents stay at check in to ensure all proper signatures are on all forms, then can leave.
- 7) Nothing more to do. We'll handle turning in the properly completed paperwork to our AD and all coaches for you! **Priceless.**

**Reminder: Athletic registration must be completed online FIRST via the AUHSD website. Please complete all forms and bring them to your Sports Clearance Medical Exam.**
